

The 2009 Tax Season — By The Numbers!

The 21st TSC Office of the Staff Judge Advocate operated seven tax assistance centers in Germany and the Benelux during the 2009 overseas tax filing season, which ended on June 15th. Thousands of taxpayers used the service and got back millions. Here are the results:

8,642 customers signed in.

9,255 Federal and State tax returns were generated.

We saved our customers **\$1,175,848**. [This is what they would have had to pay a commercial tax preparer for the same services we provided for free.]

And our customers got back **\$16,215,756** in tax refunds.

That's **BIG** money!

Important Note: While the filing season is over, tax assistance is still available through the Kaiserslautern Legal Assistance Office. We can prepare current and past year federal and state tax returns for those who missed the filing deadline and for those returning from deployments. **We can still electronically file 2008 returns through October 15th.** We can also amend federal and state tax returns, and help our clients respond to IRS notices. Tax help is available on an appointment basis. Call DSN 483-7688 or Civilian 0631-411-7688 to make an appointment.
