

21st TSC Travel Reference Tool

What type of permission do I need to travel?

- Leave, pass, or unofficial travel does not require an ETP. **Passes are mandatory for all overnight international travel.** All leave to, from, or stopping in countries listed on in PARA 3.D.133.A OF 21 TSC OPORD 20-05 require approval by a Commander in the rank/grade of Lieutenant Colonel/O-5 or above. Consult with your chain of command regarding local leave and pass policies.
- All official travel must be approved in accordance with the "USAREUR Travel Decision Reference Tool," a dynamic document displayed on the homepage of the USAREUR COVID-19 Coordination Site at: <https://intranet.eur.army.mil/hq/g33/cuops/SitePages/Coronavirus%202020.aspx>.

Do I need to ROM?

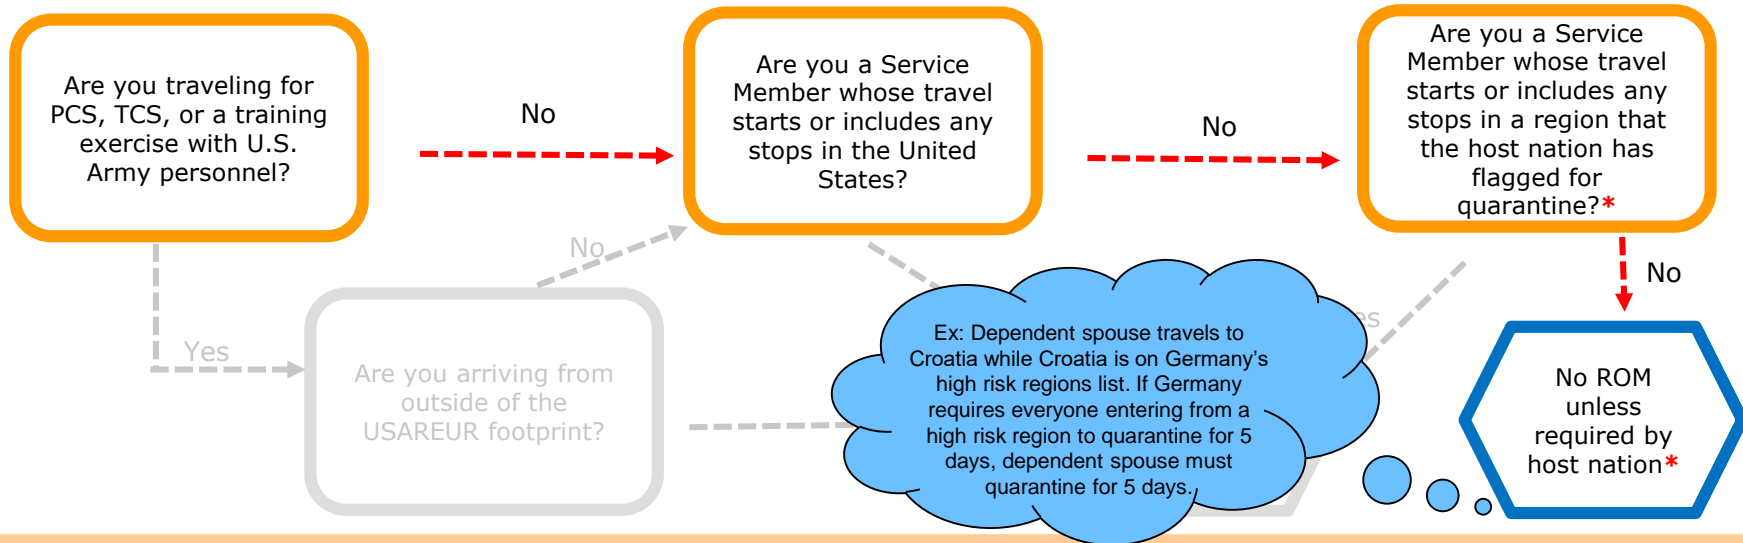

*Prior to departure, Service Members traveling across international borders must confirm that the entire travel itinerary is authorized by all of the countries they will be traveling through, even if leave is already approved by their chain of command. Country-specific information for all European Union countries can be found at <https://reopen.europa.eu/en>.
