Dear Future Strike Warrior,

Congratulations on your forthcoming assignment to the 527th Military Police Company STRIKE DEEP! First Sergeant Justin Thomas and I want to welcome you and your family to this historic Company and help make your transition as smooth as possible. The Strike Company is responsible for the provision of community Law Enforcement across USAG Hohenfels and USAG Ansbach. This creates one-of-a-kind opportunities for training and community events across the installations and with our host nation partners.

Prior to your arrival, you will be assigned a sponsor to assist with your transition into the Company. To ensure this is a smooth transition, you must complete all appropriate sections on the ACT website. Furthermore, and most importantly, you must provide your sponsor with a good point of contact and communicate with them on a regular basis. Prior to your arrival, you can expect your sponsor to request information on the following six topics. If not addressed early, this can create difficulties with your in-processing:

1. Command Sponsorship. Ensure dependents are eligible for a fully funded overseas assignment prior to your arrival.
2. Passports & Visas. Learn which travel documents are required for your family before PCSing overseas by using the following links: [U.S. Army Garrison Bavaria webpage.](#)
3. Hotel Reservations/On-post lodging/Pets. Please communicate your family's composition, to include pets, to ensure your sponsor reserves the appropriate lodging.
4. Mail. Prior to arrival, your sponsor can establish your P.O. Box with a copy of your orders and projected arrival date.
5. Child and Youth Services (CYS) & School Registration. Sign up for [Military Child Care](#) online to be ready to support your childcare needs. Enroll your children in [DoDEA schools](#) as soon as possible and contact your School Liaison Officer (SLO) for assistance.
6. Exceptional Family Member Program (EFMP). Screening for anyone PCSing with a family, Married Army Couples Program (MACP), and Buddy-Program enrollment are things that can impact your assignment. Please communicate this information to your sponsor so they can provide you with the best guidance and resources. This is a lengthy process and requires support from your losing duty station and your gaining duty station. For EFMP support, see information on the [Community Resource Guides](#)

To conclude, Strike 7 and I are incredibly excited about your assignment to The Strike Company. As discussed above, please continuously remain in contact with your sponsor as this communication is vital to your reception to the Company. We look forward to seeing you soon.
