

DEPARTMENT OF THE ARMY
HEADQUARTERS, 16TH SUSTAINMENT BRIGADE
UNIT 23716
APO AE 09034

Dear Future Knight,

Congratulations on your assignment to the 16th Sustainment Brigade (SB). The 16th SB is the only European-based sustainment brigade and provides a full range of sustainment support to all USAREUR units. Our command is comprised of military, Civilian, and host nation personnel serving throughout Europe. We provide strategic, operational, and tactical-level support to organizations throughout the EUCOM area of operations, including USAREUR units and those deployed in support of exercises and operations. As the largest forward deployed logistics command in the Army, we have a diverse, complex, and exciting mission of providing support in peacetime and during contingency operations contributing to the Global War on Terrorism.

Your assignment to the 16th SB includes a warm welcome into your local community, which is dependent on which unit you are assigned to within the Brigade. We have personnel located in Kaiserslautern, Baumholder, and Grafenwoehr in Germany as well as Vicenza in Italy. You can look forward to a challenging and rewarding assignment, while simultaneously enjoying the sights and sounds of Europe. While we work hard, we are committed to providing the best possible environment for our Soldiers and their Families.

To get your Sponsorship started, all Soldiers must use the Army Career Tracker (ACT) Sponsorship Module to complete the DA Form 5434 (Sponsorship Program Counseling and Information Sheet). This outstanding system helps inbound Soldiers establish a link with their sponsors. We also recommend visiting the Military OneSource webpage at <http://www.militaryonesource.mil/> for helpful relocation information.

Your sponsor should be able to answer most of your questions about your new duty station. We are dedicated to ensuring you and your Family are cared for during this transition. For more information about the 16th SB, please visit our website at <http://www.eur.army.mil/21tsc/16sb/> and our Facebook page at <https://www.facebook.com/16thSB>.

Again, welcome! We feel very fortunate to have you as part of the Knight's Brigade and look forward to your safe arrival.

Deeds, Not Words! Knight's Pride!
